

## “Hangin’ Loose With Dr. Seuss”

... is the band area's theme for this year's After Prom. Additional volunteers are needed to help with the planning and decorating process. If you have a desire to continue the tradition of giving our students a safe environment to go after prom, this is the opportunity for you! We would love to have you as part of our team – creative minds and industrious hands appreciated, willing spirits a must.

You can sign up on the volunteer website or by contacting the After Prom Chair, Anita St. Onge, at 390-2312 or via email at [astonge@tconl.com](mailto:astonge@tconl.com)

Come join the fun!
