

Millard North Band Boosters Board Meeting Minutes June 14, 2010

Welcome!

Ann Leever called the meeting to order at 7:05.

Director's Comments

Mr. Rathbun was not in attendance as he was out of town. He did ask Ann to tell us that he is talking with school administration about the possibility of getting them to purchase new percussion equipment for us and will keep us posted.

Old Business

Pizza Pals – We sold all the coupons and made \$600.

Open Positions for 2010-11 - Finance open. After-state celebration: The Weaks left a binder of information. Contributions open. Post-prom open. Kim Bainbridge left a list of names that she would recommend we contact to fill open positions. Ann will make some phone calls.

Music Banquet - Went well and relatively quickly. Ann read a thank you from Kristin Bainbridge for her scholarship.

Senior Recognition - Went smoothly.

New Business

Uniforms/Registration: All uniforms are in except a few. Joani Lillo did repairs on returned uniforms. Volunteers did a great job. Request for volunteers for uniform fittings is up on the web site. We will fit for pep band shirts during freshmen band camp on the 20th and 21st, so we can have them well before premier night.

Will be offering used shoes to freshmen for \$5 because we have a lot of them.

Ann will talk to Tammy about getting together with the color guard sponsor to discuss building some shelves/closets in the color guard room so we can store the hats in there. We currently have to move them all more than once during the year. Maybe the Industrial Tech classes could build something for us?

Welcome letters were mailed to the freshmen parents on June 4. The letter included information on the boosters, web site, newsletters, summer schedule, uniform fitting info., dates for premier night and Millard Days Parade, etc. There was discussion as to where responsibility for this letter lies and we all agreed it belongs with the booster Secretary position, since it is a letter from the board president. The Secretary will also insure someone calls each freshmen family to welcome them, as Sue Halvorson is doing this year.

Band Camps/Pool Party: Maggie has purchased the icy pops and has the volunteer sign-ups on the web site. She is working with Larry to get sign-ups for the chaperones for the pool party on the web site too. The pool has been reserved for July 23.

Band Buddies: Sue Halvorson is calling all freshmen families to welcome them and answer any questions they have. Thank you, Sue!

Fall Fundraising - We plan to sell coffee again in the fall. Ann will make sure when we sell coffee that it doesn't overlap with any other organizations. We will want to start early in the fall to sell as much as possible.

Scholastic Stats – Kim always put together the stats sheet. Ann will check with Kim to see how she did that.

The July booster meeting will be moved to Thursday, July 15, as Ann is out of town on the 12th.

Dawn read a thank you note from Mrs. Keiser for the gift card we sent her for her recovery from surgery.

John Fray had suggested to Ann that we may want to move our booster account to Mid City Bank. They are big band supporters and make a sizeable donation to the band every year. Now would be a good time to make the switch since we have a new president and treasurer. Ron Welton made a motion that the general booster account be moved from Wells Fargo to Mid City Bank. Joani Lillo seconded it. All approved.
