

The Millard North Band needs your help! Our band's major sources of funding are from donations and sponsorships. We receive less than 2% of our annual budget from district funds, which is why we rely on sponsors to help our band and students:

- Purchase new equipment to cover growing needs
- Pay for bus and transportation costs
- Feed students at events during the year
- Participate in leadership training
- Receive master class teaching by professionals.
- Provide a Winter Guard program
- Purchase new Concert, Jazz, and Pep Band music
- Keep our new uniforms looking good
- Additional teaching staff on hand for students
- Attend festivals and contests

With your company's donation, you will have your logo:

- On over 275 students' shirts
- Appear on our website
- Listed on concert programs
- And, posted on social media throughout the year.

**Have a company that might be interested in sponsoring our band?**
